

imagine[®]

your home reinvented.

Discover your style with a distinctive Clopay[®] garage door.

America's Favorite Garage Doors[®]

Canyon Ridge® Collection Limited Edition Series Design 12; Shown in Dark Finish

Clopay

the right choice for your home.

- Clopay is North America's largest and most trusted residential garage door brand.
- A garage door can represent as much as 30% of your home's front façade, which makes choosing the right design especially important — and Clopay has the widest selection available.
- Clopay garage doors are designed and manufactured in the USA.

table of contents

If you haven't looked at garage doors lately, prepare to be pleasantly surprised. Clopay has taken them from functional to fashionable.

a beautiful transformation.

DOOR IMAGINATION
SYSTEM from Clopay[®]

See what inspires you with the Clopay Door Imagination System. Upload a photo of your own home and see what style offers you the look you want. With just a few simple clicks, you can visualize the transformation and make it a reality!

Whether you choose a door that features the beauty of natural wood or the low maintenance of a composite or metal door, the Door Imagination System will help you find your dream door.

To get started, visit clopay.com and click on the **Door Imagination System**. You can also find a Clopay dealer and schedule a free consultation.

Gallery® Collection

Coachman® Collection

Canyon Ridge® Collection

the DIFFERENCE

is in the details.

beautiful stylistic options

DEEP EMBOSSED PANELS

Natural woodgrain texture and detailed raised panel designs enhance the door's beauty.

COPED EDGES

Coachman® Collection doors are designed with stylish beveled coped edges and decorative center grooves.

HANDCRAFTED WOOD

Premium-quality wood harvested from sustainable and naturally fallen forestry provides exceptional beauty and durability.

ULTRA-GRAIN® FINISHES

New faux woodgrain steel door paint coatings offer the beauty of wood with far less upkeep.

FAUX WOOD

Unique composite overlay doors combine the realism and beauty of real wood with the strength and energy efficiency of insulated steel.

DESIGNER WINDOWS

Allow natural light into your garage and complement your home's exterior with beautiful window designs. Clopay's decorative inserts are removable for easy cleaning or to change designs.

reliable, safe and durable construction

RUST-PREVENTION SYSTEM

Steel skins are protected through a tough, layered coating system, including a hot-dipped galvanized layer, a protective metal oxide pretreatment and a baked-on primer and top coat.

ALUMINUM RETAINER

Replaceable bottom weatherseal in a rust-resistant aluminum retainer helps seal out the elements.

PATENTED SAFE-T-BRACKET[®]

Helps prevent serious injury that could occur if the bottom bracket were removed with the garage door closed and under tension.

HEAVY-DUTY HARDWARE

2" thick polystyrene doors and all Intellicore[®] doors come standard with 10-ball nylon rollers and heavy-duty 14 gauge steel hinges.

Reserve[®] Wood Collection Custom Series;
Factory Stain Finished in Dark Oak

WARMER

Industry-leading R-values of up to 20.4 provide year-round comfort and energy savings.

QUIETER

Just open a non-insulated garage door and then an Intellicore[®] door, and you'll hear a huge difference.

STRONGER

A Clopay garage door featuring Intellicore[®] is nearly twice as strong as a polystyrene door of the same thickness, so it will look better, longer.

Look for this symbol on select products that feature Intellicore[®].

MODERN design meets Asian INSPIRATION

STYLE AND CONSTRUCTION

Aluminum and glass combine to create a sleek, contemporary look. Many window options are available to control the degree of light transmission and privacy.

- Aluminum frame provides a virtually maintenance-free, long-lasting door.
- Tempered glass, acrylic or solid aluminum panel options. (See panel options on page 9.) Insulated glass is also available for increased energy efficiency.
- Integral reinforcing fin provides increased strength and longevity.
- Heavy-duty steel ball bearing rollers with nylon tires provide quiet operation.

See your Clopay Dealer for WINDCODE® availability.

FRAME/SOLID PANEL COLOR OPTIONS

- 1 Clear Aluminum (Anodized)
- 2 Standard White
- 3 Bronze (Painted)
- 4 Chocolate (Painted)
- 5 Bronze (Anodized)
- 6 Black (Anodized)
- 7 Dark Bronze (Anodized)
- 8 Ultra-Grain® Cherry Light Finish
- 9 Ultra-Grain® Cherry Dark Finish

Due to the anodizing process, color variation may occur.

The use of "Bronze (Painted)" is recommended for a more consistent bronze finish color. Custom colors available.

Photographer, Brian Gassel

Avante® Collection Anodized Black Painted Aluminum Frame with Frosted Tempered Glass

AVANTE® collection

The Avante is the perfect choice to modernize any home; transforming not only garages, it can also be used as an indoor loft partition or a versatile solarium door.

GLASS/PANEL OPTIONS

- 1 Clear Glass*
- 2 Gray Tinted Glass*
- 3 Bronze Tinted Glass*
- 4 Mirrored Glass*
- 5 Obscure Glass*
- 6 White Laminate Glass
- 7 Frosted Glass* or Acrylic
- 8 Clear Acrylic
- 9 Gray Acrylic
- 10 White Acrylic
- 11 Clear Polygal®
- 12 Bronze Polygal®
- 13 Clear Anodized (Aluminum Panel)
- 14 Ultra-Grain® Cherry Light Finish (Aluminum Panel)
- 15 Ultra-Grain® Cherry Dark Finish (Aluminum Panel)

Glass available in single pane or insulated. White laminated and mirrored glass not available insulated.

Panels can be aluminum to match the aluminum frame. Glass/acrylic panels may be combined with aluminum panels. Custom glass and colors available. See your Clopay Dealer for details.

Acrylic windows require special cleaning. Never use products that contain ammonia or petroleum products to clean acrylic. Please visit clopaydoor.com/acrylic for complete details.

See pages 30–31 for more information regarding Ultra-Grain® finishes.

faux wood.
REAL MODERN.

CANYON RIDGE® collection

MODERN series

Canyon Ridge® Modern Series faux wood garage doors are constructed from a durable, low-maintenance, composite material that won't rot, warp or crack. As versatile and realistic-looking as natural wood but requiring far less upkeep, the Modern Series door designs feature key elements of contemporary architecture: clean, horizontal lines with mid-century appeal, sleek window styles and aluminum accents. These faux wood doors are a perfect complement to other natural materials and textures on your home's exterior.

faux wood.
REAL BEAUTY.

CANYON RIDGE®

collection

LIMITED EDITION series

Beautiful and unique, Canyon Ridge® Limited Edition Series carriage house doors are constructed with an energy-efficient, Intellicore® insulated steel base and finished with faux wood composite cladding and overlays. The appearance is that of authentic swing-out doors but with the convenience of modern, upward operation.

The Limited Edition Series cladding and overlay materials are molded from actual wood to reproduce the natural texture and grain patterns of the species that they emulate. The result is a distinctive wood-look door that is often indistinguishable from the real thing.

COACHMAN[®] collection

The perfect blend of beauty and practicality, these carriage house doors look like wood, but they are actually crafted of multiple layers of durable, low-maintenance steel and insulation topped with a woodgrain textured composite overlay.

Accented with decorative black wrought iron hardware, Coachman doors have the charming appearance of an old-fashioned swing-out door, but offer the built-in convenience of modern upward operation.

Complete overlay and true arch window designs provide an authentic carriage house look setting Clopay's Coachman[®] Collection above the rest.

DOOR DESIGNS

Coachman doors can be painted using a high-quality exterior latex paint. **IMPORTANT:** When painting your door, we require use of either a preapproved paint or paints having an LRV (Light Reflective Value) of 38 or higher. Use of other paints will void the door's warranty. A list of preapproved paints can be found at <http://info.garagedoors.com/lrv>. Not all panel and window options available in all model widths and heights. See your Clopay Dealer for more details or go to www.clopay.com.

Construction on the Avante® Collection differs from the other steel door collections. See the Avante® Collection product page for design options.

WINDOW FRAME DETAILS

Window frames on Classic™, Gallery® and Modern Steel™ Collection Ultra-Grain® doors are a solid color, designed to complement colors in the grain pattern.

DIRECTIONAL GRAIN PATTERN

On Gallery® and Classic™ Collection doors, the grain pattern runs horizontally along the rails and vertically along the stiles. This provides a natural and realistic wood look. The Modern Steel™ Collection grain pattern runs in a horizontal direction.

COMPLEMENTING ENTRY DOORS

Ultra-Grain® colors complement Clopay's ENERGY STAR® qualified entry doors as well as other exterior stained wood products including shutters, columns and railings.

warm, distinctive,
TIMELESS.

Reserve® Wood Collection Limited Edition Series

RESERVE® WOOD

collection

LIMITED EDITION AND CUSTOM series

Both stunning and substantial, every Clopay® Reserve® Wood Collection door embodies our total commitment to timeless design, detail and craftsmanship with the warmth and character no other material can match.

Design a door specific to your home style with our Custom Series, or select a preconfigured style from our Limited Edition Series. Add our factory stain or paint option to provide a beautiful and durable finish.

STYLE AND CONSTRUCTION

- Both Limited Edition and Custom styles are handcrafted with 5 or 4 layers and insulated with polystyrene for improved energy efficiency. 5.9 R-value.
- All Reserve® Wood Collection doors are built with a swing-out appearance and convenient upward operation.
- Custom Series features unlimited design options and unlimited wood species. You dream it, we build it.
- Windows are available in true divided or simulated divided designs. Glass available in clear, obscure and insulated options. Custom options also available. See page 41 for specialty glass options.
- Premium grade hardware, rollers and track assure smooth, quiet, long-lasting operation.
- Optional replaceable bottom weatherseal in a rust-resistant aluminum retainer helps seal out the elements.
- All doors can be factory primed or finish painted White. Factory stain available for stained grade wood species. Custom stain and paint colors also available.
- See Clopay's Wood brochure or go to www.clopay.com for more wood door details.

* Drip cap is available exclusively on tongue-and-groove (5-layer) and grooved MDO (4-layer) configurations.

DOOR DESIGNS All doors shown with tongue-and-groove 5-layer material.

TOP/WINDOW SECTIONS

MATERIAL OPTIONS

OVERLAYS

MDO base cannot be stained. On tongue-and-groove (T&G) base doors, the wood species of the tongue-and-groove must match the wood species of the overlay. Custom configurations available in Custom Series.

BASE FACE MATERIAL

See page 40 for stain colors available. See pages 42-43 for available decorative hardware options. Note: Printed color shown here may vary from actual product colors. See your Clopay Dealer for wood samples.

RESERVE® WOOD

collection

MODERN series

Clean lines and simple forms let the beauty of natural wood stand out. Clopay's versatile Modern Series lets you mix materials, shape and tone to create a stunning contemporary garage door that blends beautifully with other woods and materials on your exterior.

STYLE AND CONSTRUCTION

- Handcrafted 4-layer construction with polystyrene insulation for improved energy efficiency. 5.9 R-value.
- Built with a sleek contemporary style and convenient upward-acting operation.
- Offset Window models feature a variety of short and long window options that come standard with clear tempered glass. Other glass options include frosted and obscure. Custom options also available. See page 41 for specialty glass options.
- Accent Strip models feature decorative flush aluminum accent strips to provide a beautiful contrast of materials. The result is a look that is modern as well as elegant.
- Heavy-duty hinges, rollers and track provide smooth, quiet, long-lasting operation.
- Optional replaceable bottom weatherseal in a rust-resistant aluminum retainer helps seal out the elements.
- All doors can be factory primed or finish painted White. Factory stain available for stained grade wood species. Custom stain and paint colors also available.
- Doors come standard with spade lift handles and step plates. Optional decorative hardware shown on pages 42–43.

Calculated door section R-value is in accordance with DASMA TDS-163.

collection

SEMI-CUSTOM series

A natural wood carriage house door is the kind of door that gets people talking – one that transforms “just another pretty façade” into a neighborhood style icon. With our semi-custom line, you may be surprised to learn that this exclusive look doesn’t necessarily exclude your budget.

the beauty of
natural WOOD

Reserve® Wood Collection Semi-Custom Design 4 in Mixed Cedar with REC14 Window Design;
Factory Stain Finished in Dark Oak

STYLE AND CONSTRUCTION

- Handcrafted 2-layer non-insulated wood doors in authentic carriage house designs.
- All Reserve® Wood Collection doors are built with a swing-out appearance and convenient upward operation.
- Available in 3 wood species. All stain grade wood rails, stiles and panels are made from Redwood, Cedar or Hemlock. Hemlock (paint grade and grooved) doors have Hemlock stiles and rails with exterior grade MDO plywood panels.
- 1/4" thick imported Luan interior backer glued to stiles and rails.
- True divided windows are standard. Glass available in clear, obscure and insulated options. Custom options also available. See page 41 for specialty glass options.
- All doors can be factory primed or finish painted White. Factory stain available for stained grade wood species. Custom stain and paint colors also available.

WOOD DOOR CARE

- Proper care and maintenance are imperative to the appearance, longevity and performance of all wood doors.
- Doors must be painted or stained on all six sides prior to installation. Failure to follow the installation and maintenance instructions will void the warranty.
- Please refer to the installation and maintenance manual or go to www.clopay.com for additional information about caring for a wood door.
